Brand New Book ***** Print on Demand *****.Excerpt from The Tragedy and Comedy of War Hospitals The letters contained in this volume do not propose to give up-to-date Blue-book accounts of events, but simply my own personal experience; therefore, O! R.A.M.C. reader, do not rise up in arms against this humble relater! They were written in the midst of the scenes and occurrences which they describe, to friends at home, and retain their original form, as this affords greater freedom of composition than a series of chapters. And thou, O! critic, look not for dates, for I have given none. These accounts are not meant to reveal the deficiencies of the Royal Army Medical Corps, but only my own actual experiences. We all see things differently, but this is how I saw them! I am not judging, nor am I criticizing, I am merely recording events that occurred within my own range of vision.
