

The Geology of the Country Between, Wellington and Chard (Classic Reprint)

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

THE GEOLOGY OF THE COUNTRY BETWEEN, WELLINGTON AND CHARD (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Geology of the Country Between, Wellington and Chard The Map and Memoir belong to a set of three sheets of which tho areas were re-surveyed many years ago on the old series one-inch maps. One composite sheet (826 and 340) with accompanying Memoir on The Geology of the country near Sidmouth and Lyme Regis has already been published. The present, sheet, 311, adjoins it on the north, and takes in the country between Wellington and Chard, with the famous Green-sand area of the Black Down Hills. The original one-inch map, Sheet 21, included tho whole of the area of the present sheet, and was surveyed by De la Beche, and Surveyed probably in 1833. The re-survey was carried out between the years 1870 and 1876, under the immediate superintendence of Mr H. W. Bristow, with Sir R. I. Murchison, and subsequently Sir A. C. Ramsay, as Director-General. The greater part of the area was surveyed by Mr. Ussher; the remaining portion cast of the Yarty Valley, and including the country around Chard and Ilminster, was surveyed by Mr. Woodward, with the assistance of Mr. Clement Reid when he joined the Geological Survey in 1874. The principal additions to the map are in tho sub-divisions of the New Red rocks, and the insertion of the Rhaetic Beds and superficial deposits. Although the New Red conglomerates had been indicated on tho old map, no boundary had been drawn between the Keuper Marls and underlying sandstones, nor wore the divisions below the conglomerates indicated. This work was done by Mr. Ussher. Mr. Woodward, who has edited the chapters on the Rhaetic Beds and Lias, described the Liassic...
