

Mindwise: How We Understand What Others Think, Believe, Feel, and Want

By Nicholas Epley

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Mindwise: How We Understand What Others Think, Believe, Feel, and Want, Nicholas Epley, From leading psychologist Nicholas Epley, Mindwise reveals our real sixth sense - our ability to understand our own minds and the minds of others Arguably our brain's greatest sense is the ability to understand the minds of others - our sixth sense. In Mindwise, renowned psychologist Nicholas Epley shows that this incredible capacity for inferring what others are thinking and feeling is, however sophisticated, still prone to critical errors. We often misread social situations, misjudge others' characters, or guess the wrong motives for their actions. Drawing on the latest in psychological research, Epley suggests that only by learning more about our sixth sense will we have the humility to overcome these errors and understand others as they actually are instead of as we imagine them to be. "Lucid and magnetic .a guide to understanding the minds of others". (Independent). "A comfortably slim volume about the ability we all have to understand others .how wonderful to have this insight into the extent of our ignorance". (Dominic Lawson, Sunday Times). Nicholas Epley is the John T. Keller Professor of Behavioral...

Reviews

This composed book is excellent. it was actually writtern very perfectly and valuable. I found out this book from my i and dad advised this book to learn.

-- **Maymie O'Kon**

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
