Forgotten Books, United States, 2015. Paperback. Book Condition: New. 222 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Growth of the Soil, Vol. 2 Chapter I Sellanraa is no longer a desolate spot in in the waste; human beings live here -seven of them, counting great and small. But in the little time the haymaking lasted there came a stranger or so, folk wanting to see the mowingmachine. Brede Olsen was first, of course, but Axel Strom came, too, and other neighbours from lower down - ay, from right down in the village. And from across the hills came Oline, the imperishable Oline. This time, too, she brought news with her from her own village; twas not Oline sway to come empty of gossip. Old Slvert saffairs had been gone into, his accounts reckoned up, and the fortune remaining after him come to nothing. Nothing! Here Oline pressed her lips together and looked from one to another. Well, was there not a sigh - would not the roof fall down? Elseus was the first to smile. Lets see - you re called after your Uncle Sivert, aren t you? he asked softly. And little Sivert answered as softly again: That s so. But I made you a present of all that might come to me after him. And how much was it? About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
