Brand New Book ***** Print on Demand *****.Excerpt from John Masterson; Or, Passion and the Priest: A Metrical Narrative Since Time began, one of man's most heart-bleeding, sternest wars has been the conflict between the love instinct, the mating of the sexes, and the interference of parental and other outside adjustment; between the laws of convention and rebellious native instincts. John Masterson was a victim of both, and it is his soul struggle in this world-old strife that I have sought to portray in terms of emotion.
