The Faculty Awards series recognizes and rewards outstanding faculty members at colleges and universities across the United States. Voting was not open to students or the public at large. With tens of thousands of educators participating, votes and comments were expertly tabulated and reviewed to present this honor and publish the list of recipients in the 2015 compendiums. This year's Volume 2 edition includes almost 1,400 national award winners from over 730 U.S. colleges and universities within the disciplines of Health Sciences and Nursing, Medicine, Law, Public Affairs, Political Policy Sciences, Business, Fine Arts and Education. Photos and winner descriptions are selectively included.
