

Novatiani Romanae Urbis Presbyteri de Trinitate Liber: Novatian's Treatise on the Trinity (Classic Reprint)

Filesize: 5.46 MB

Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Novatiani Romanae Urbis Presbyteri De Trinitate Liber: Novatian s Treatise on the Trinity It is nearly two centuries since a separate edition of Novatian s Treatise on the Trinity was produced by an English clergyman, John Jackson, and published in London. To this editor and his immediate predecessor, Edward Welchman, we are indebted for valuable help towards the emendation of a corrupt vulgate text, in the absence of all manuscript evidence. But they left much still to be done, and the text of the present edition can only claim to mark a further advance towards textual purity. My first duty was to provide an intelligible text, and this, I trust, has been accomplished. The aim of the Commentary has been to make the treatise speak for itself. Criticism and theological dissertation were reserved, in the main, for the Introduction. The interest of the Treatise, and its importance at the present day, will hardly be questioned. It is at once the earliest systematic treatise on its subject, and the earliest monument of Roman theology. It transports us to a critical period in the history of Christian thought. Then, as now, the battle-ground of contending schools of opinion was the doctrine of the Person of Christ. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
