Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Elstad s interview with award-winning Southern historian and Civil War scholar Lochlainn Seabrook took place between March and July 2015. Excerpted from Elstad s book Questions From the North; Answers From the South, the interview is presented here in its entirety. Though brief, Confederate Blood and Treasure (Seabrook s title for this work) provides an ideal introduction to Lincoln s War as seen through the eyes of the South. Among other items of interest, find out why the Confederate Flag should be honored by all Americans, why Lincoln is still disliked in the South, who s really responsible for American slavery, why Robert E. Lee is loved across Dixie, and why the Civil War was illegal, unjust, and unnecessary. This short guide is perfect for beginners as well as seasoned Civil War buffs. Seabrook, recipient of the prestigious Jefferson Davis Historical Gold Medal, is the author of over forty popular books for all ages, including the runaway bestsellers, Everything You Were Taught About the Civil War is Wrong, Ask a Southerner! and The Great Yankee Coverup: What the North Doesn t Want You to Know About Lincoln s War!.
